
Proposal to Support Tagab Sarblagh High School in Koh-e Berun, Behsood, Afghanistan

4th June 2024

Dear Esteemed Supporter,

I hope this message finds you in good health and high spirits. My name is Raza Bayani, and I am a software developer from the Koh-e Berun area of Behsood, Wardak, Afghanistan. I am reaching out to you with a heartfelt request to support Tagab Sarblagh High School (ليسه عالی (تگاب سر بلاق), located in a rural area of Wardak Province of Afghanistan. This school is the largest in the district of Markaz-e Behsood, with a total of **740** students, **320** of whom are girls and **420** are boys. Despite its importance, the school is facing significant challenges that hinder its ability to provide a quality education to its students. From overcrowded classrooms to a lack of basic educational resources, the obstacles are overwhelming. But their spirit and thirst for knowledge remain unbroken. With dedicated teachers and eager students, all they need is a helping hand.

Current Situation

Tagab Sarblagh High School consists of six classrooms and accommodates 14 classes. However, it lacks many essential resources necessary for a conducive learning environment. The major issues the school is facing include:

- Insufficient Educational Materials:** The school lacks basic educational resources such as textbooks, notebooks, and other instructional materials.
- Inadequate Classroom Infrastructure:** Many classrooms are in poor condition, lacking proper windows, doors, and flooring, making it difficult for students to concentrate and learn.
- Insufficient Seating and Furniture:** There are not enough chairs and desks for all students, forcing many to sit on the floor during lessons.
- Lack of Teaching Aids:** There is a shortage of teaching aids and supplementary materials which are crucial for effective learning and teaching.

The situation is worsening due to the ongoing economic crisis in Afghanistan, making it even more crucial for us to step in and help. Approximately **30** villages and **400** families rely on this school for their children's education, and improving its facilities could extend its benefits to even more villages.

Many students come from relatively **distant villages** where there are no schools, and they rely on Tagab Sarblagh High School for their education. Unfortunately, due to a lack of resources and suitable accommodations, we are unable to accept all students, leaving many deprived of education. Those who currently attend from farther villages have to rent rooms near the school to save time on daily commuting. However, there are not enough suitable accommodations available, adding to their challenges.

Our Appeal

In light of these pressing needs, I am initiating a fundraising campaign to address these issues and improve the learning conditions for the students at Tagab Sarblagh High School. Your generous contributions can help us achieve the following:

1. **Provide Educational Materials:** Purchasing textbooks, notebooks, and other necessary supplies for all students.
2. **Renovate Classrooms:** Repairing and refurbishing classrooms to make them safe and comfortable, including installing windows, doors, and proper flooring.
3. **Furniture:** Providing adequate seating and desks for students and teachers.
4. **Teaching Aids:** Supplying essential teaching aids and supplementary materials to enhance the learning experience.

How You Can Help

Your donation, no matter the size, can make a significant impact. Here are some ways your contributions can help:

- ★ **\$50** can provide a set of textbooks and notebooks for five students.
- ★ **\$100** can supply a classroom with basic teaching aids and materials.
- ★ **\$500** can help renovate a classroom, making it a safer and more conducive learning environment.
- ★ **\$1000** can provide new desks and chairs for an entire classroom.

Note: Track donations here: [Support School](#)

For increased transparency and trust, here are detailed explanations of how each budget amount will be spent:

1. **\$50 can provide a set of textbooks and notebooks for five students.**

- **Textbooks:** This budget includes the purchase of five complete sets of textbooks for students, with each set containing the main textbooks for each subject taught in the school.
- **Notebooks and Stationery:** It also covers notebooks, pens, pencils, erasers, and other essential stationery items for five students.

2. \$100 can supply a classroom with basic teaching aids and materials.

- **Whiteboard and Markers:** Purchasing a whiteboard or blackboard along with a set of markers or chalk for classroom use.
- **Educational Charts and Posters:** Procuring educational charts and posters related to various subjects to assist in visual learning.
- **Reference Books and Teaching Materials:** Buying several reference books and educational resources for use by both teachers and students in the classroom.
- **Teaching Aids:** Including simple teaching aids like cubes, beads, and other tools to help teach subjects like math and science effectively.

3. \$500 can help renovate a classroom, making it a safer and more conducive learning environment.

- **Major Repairs:** This budget would be used for major repairs to the classroom, including fixing and refurbishing the roof, walls, and flooring.
- **Windows and Doors:** Installing or repairing new windows and doors to improve lighting and ventilation in the classroom.
- **Painting:** Painting the classroom walls to create a clean and pleasant learning environment.
- **Electrical and Lighting:** Improving the classroom's lighting system to ensure adequate illumination for learning activities.

4. \$1000 can provide new desks and chairs for an entire classroom.

- **Desks and Chairs:** Purchasing 20 to 30 new desks and chairs, each individually designed for students to provide a suitable space for learning.
- **Teacher's Desk:** Acquiring a suitable desk and chair for the classroom teacher.
- **Installation and Setup:** Covering the costs associated with moving and setting up the new furniture in the classroom.

Conclusion

By supporting Tagab Sarblagh High School, you are not only investing in the education of 740 students but also contributing to the future of an entire community. Education is the key to breaking the cycle of poverty and empowering the next generation to build a better future for themselves and their country.

I am personally appealing for this cause as an individual from this area. I sincerely hope that you will join us in this noble cause. Your support and generosity can create a lasting impact on the lives of these children and their families.

Donation Appreciation

For donations, please send money via [Ria](#), [MoneyGram](#), [Western Union](#), or the [Hawala System](#) to the following recipient:

Name: Ghulam Raza Bayani

Address: Dasht-e Barchi, Kabul

After donation use [this](#) form or link below to register your donation and track purposes.
